

GET MAILCHIMP API KEY

To properly set up your Prestashop store's MailChimp integration you will first need your MailChimp API Key. To locate your API Key, please follow the steps below:

Step 1:

Login to your MailChimp account via <https://login.mailchimp.com/>

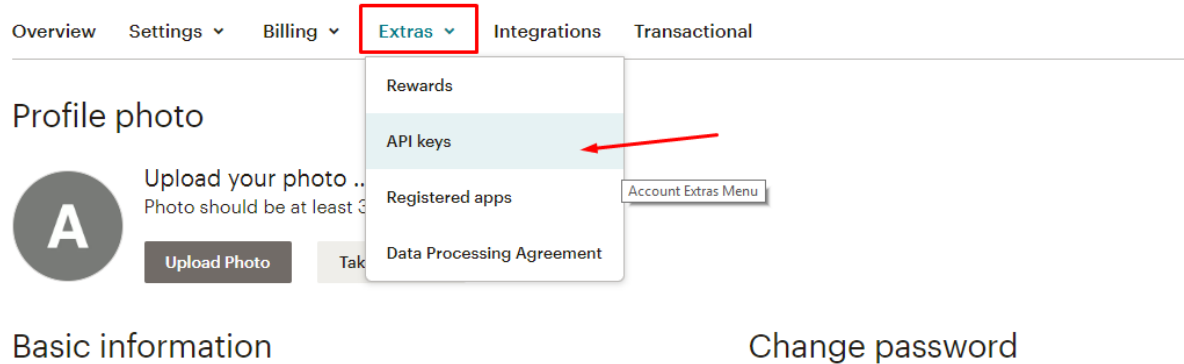

Once logged in to MailChimp, click on the **Account Name** at the top of the left-hand sidebar and select **Profile**.

Step 2:

Click on **Extras** and a drop down will appear. From here, select **API Keys**.

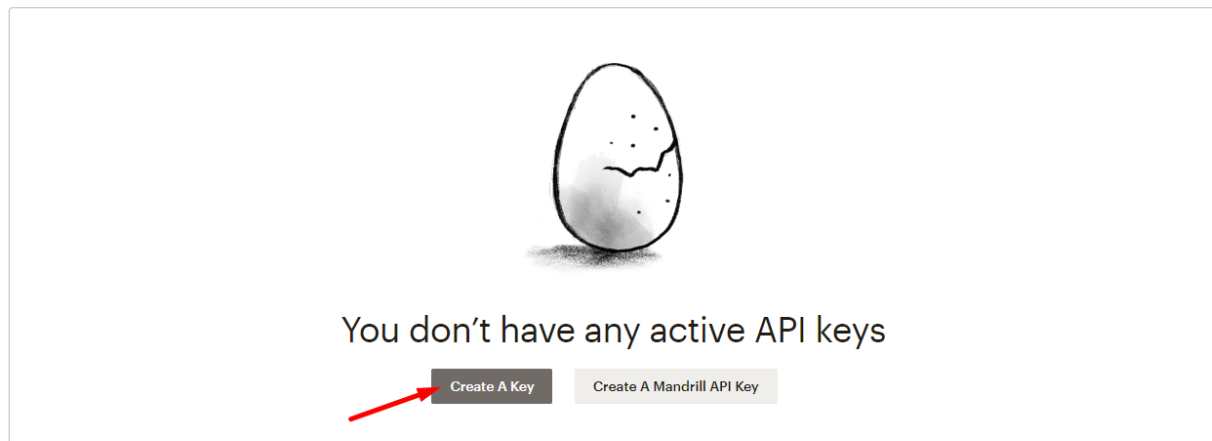

ETS-Soft

Scroll down and click **Create A Key**.

Your API keys

API keys provide full access to your Mailchimp account, so keep them safe. [Tips on keeping API keys secure](#).

Step 3:

Mailchimp will automatically generate an API key for you. Scroll down to **Your API keys** section and save your API key.

API keys

About the API

The Mailchimp API makes it easy for programmers to integrate Mailchimp's features into other applications.
